THREE CENTS

REDS FACE CRISIS AS NAZIS CROSS DON

Meandering Along the Main Stem

Homer Wolfe, a prominent Fayette County farmer residing on the Chillicothe pike seven miles south of town, had an interesting experience a few weeks ago while on his way with his wife and son, Hugh, aged 12, to visit relatives on Grosse Isle near Detroit, Mich. This Isle is located in the Detroit River just south of Detroit where the river flows into Lake Erie.

Having started the night before to go to Michigan, it was early morning when they arrived at the bridge approaching the island. As it was foggy, Wolfe was driving with dim lights and going about 25 miles per hour. All of a sudden a sailor with a rifle jumped out in front of the car and told him to stop.

He came around to the side of the car and asked to see Wolfe's credentials. He showed him his American Legion card, driving license and other papers but the sentry wouldn't let him across. Wolfe told him that he had other relatives in Detroit but didn't know their addresses. The guard finally let them cross.

The reason for the delay and inspection was that a Nazi seaman and a German civilian had escaped from an internment camp at Fredericton, New Brunswick, and were seen climbing over a fence into the United States Naval Reserve Aviation Base which is located on the island. They attempted to escape just after a blackout in Detroit the night before.

Their intentions were to knock out two guards, get their clothes and then steal a plane, Wolfe said. The two men were captured that day after 500 men were included in the search.

The two were found in a marsh after being spotted by an airplane. Many planes were used in the search and patrol boats encircled the island watching for the Germans. The island is two miles wide and nine miles long.

Wolfe also said that in that part of the state you really knew there was a war. Everything was guarded closely, you had to keep moving and not stop near any of the production plants or other things connected with the war.

FLOODS DO DAMAGE IN WEST VIRGINIA

At Least Four Killed and
Travel Interrupted

CHARLESTON, W. Va., Aug. 24.—Recent floods in West Virginia were reported today to have resulted in the deaths of at least four persons, interrupted travel and destroyed lowland crops.

Three of the flood victims were crewmen on a Baltimore and Ohio train which plunged into a creek from a water-weakened bridge nine miles south of Clay. The fourth was a 6-year-old girl who toppled from a swaying footbridge into a swollen stream near Hundred.

The engine and 11 cars of the freight were wrecked.

The B. and O. dispatcher at Gassaway said it was "presumed" that the accident was caused by high water, which undermined the bridge supports.

Heavy crop damage was reported in northern and western sections.

LABOR DAY HOLIDAY MAY MEAN LITTLE

WPB Chairman Appeals for
Uninterrupted Production

WASHINGTON, Aug. 24.—(P)—Chairman Donald M. Nelson, of the War Production Board, called upon American labor today to arrange its annual Labor Day observance this year so there might be operation of all mines, industries and plants in which a shut-down would be injurious to the war effort.

Nelson wrote to President William Green of the AFL and President Philip Murray of the CIO saying that there were many plants in which it would be possible to rearrange schedules in such a way that Labor Day might be celebrated as a holiday.

Unity in War Looms in South America

More Yanks Arrive in England In 'Biggest Convoy Yet' of War

SECOND FRONT HOPES RAISED

Thousands of Americans, All
Anxious for Fight, Stir
Enthusiasm of Britons

LONDON, Aug. 24.—(P)—The arrival of still another American convoy—the greatest yet—with more thousands of fighting-fit United States troops stirred British observers anew today to speculation on a second front.

The size of the convoy, so large that its laden troopships and transports scattered to many British ports to unload men and weapons now dispersed among waiting American bases, accounted only partly for the predictions of second front possibilities.

Britons noted also the preparedness of the Americans for absorbing reinforcements, the frontline caliber of the men sent to this war theater, the material which accompanied them, the variety of branches they represented, the emphasis on air strength in both men and supplies and the psychological moment of their arrival.

The eagerness of the new United States troops for action and their smart, well-drilled appearance at the debarkation ports accented the statement of Maj. Gen. Mark Clark, commander of U. S. ground troops in the European zone, that only "crack" outfits were being sent here.

Pride Shines Through Tears Of Young Ohio War Widow

CLEVELAND, Aug. 24.—(P)—Widowed by a Nazi warplane shell, pride shone through the tears of Lieut. Don Walter's 19-year-old bride today.

The former Helen Calebaugh learned last night that her aviator-husband kept a rendezvous

with death high above the North Sea Friday in a fierce aerial battle.

He was co-pilot of a United States Flying Fortress that landed safely in England after being crippled in high-altitude combat.

Lieut. Ewart Sconiers of De Funiak Springs, Fla., a bombardier who "washed out of flying school," guided Walter's wounded war bird to its home base. A 20 mm. shell killed the Ohioan.

Only last Tuesday Mrs. Walter and friends celebrated the 22-year-old flier's participation in a raid on Rouen, France.

"When I heard that one of the fliers was from Painesville," she said, "I knew it was Don."

The couple married last March after having met at Ohio State University.

LIGHTNING HITS PICNIC; ONE KILLED, DOZEN HURT

WARREN, Aug. 24.—(P)—Lightning killed one man and knocked down 12 others at a trailer camp being erected near Newton Falls.

The man killed was Harold Conlin, 23, of Altamont, Ill., and the others were either employees of this company or wives or relatives of employees.

The bolt struck a tree under which the group were preparing a steak fry Saturday night.

BRAZIL AT WAR SPEEDS DEFENSE AGAINST ATTACK

Coast of 'Bulge' Darkened
And Air Patrol for Subs
Is Being Intensified

ARGENTINA FALLS IN LINE

Peru Also Backs Brazil
By Granting Right of
Non-Belligerency

RIO DE JANEIRO, Aug. 24.—(P)—The government moved to put Brazil on a full war footing today, tightening its control over German and Italian nationals and taking special precautions against a possible token attack by Axis submarines known to be lurking off this country's long coastline.

Noisy demonstrations which accompanied Brazil's entry into the war Saturday died down yesterday but the navy and air force stepped up their offshore patrols—especially in the region of the "bulge," which is only 1,600 miles from Dakar, Africa.

At least four enemy submarines were reported sighted off the coast yesterday, and there was widespread speculation that they might attempt to shell some point.

In Sergipe State, south of Natal, the government demonstrated its awareness of this possibility by ordering a total blackout of the city of Aracaju. Partial blackouts were enforced elsewhere.

In Rio De Janeiro the bright beams of searchlights swept over the beautiful harbor during the night to expose possible intruders.

A desire for closest cooperation with the United States in military and economic matters was evident in official quarters.

ARGENTINA IN LINE

BUENOS AIRES, Aug. 24.—(P)—Informed sources said today that President Ramon Castillo had signed a decree granting Brazil non-belligerent status in her war with Germany and Italy.

The decree is expected to be

BOYS IN SERVICE BACKED BY LABOR

COLUMBUS, Aug. 24.—(P)—President Michael Lyden of the Ohio Federation of Labor advised 450 delegates to the federation's state convention today that labor would help America "free enslaved peoples of the world."

"Your boys and my boys are all over the world in defense of the things we have," he added. "Think of the sacrifices they will make fighting for us so that we could come here this morning. We are going to protect those boys."

The Federation opened its 54th annual convention in an atmosphere made tense by a fight between a veteran organization official and a Cleveland aspirant for the post of secretary-treasurer.

Killing and Terrorism Stepped Up By Nazis Among Conquered People

LONDON, Aug. 24.—(P)—The execution of 35 more Czechs, Croats and Slovenes by the Germans and Italians as reported today with accompanying threats that ten hostages would be killed for each new assault in occupied Croatia.

The Czech government in London reported that two patriots, Vladislav Brazda of Cersnice and Frantisek Janik of Prerov, were put to death for "treasonously favoring the enemy, possessing arms and sheltering in their flats persons wanted by the Gestapo."

The Italians were reported by Reuters to have executed 15 Slovene soldiers in Rome.

A Havas dispatch from Budapest said a "mobile military tribunal" in Croatia condemned 15 persons at Karlovac and three at Stara Pazova and that all had been executed. The dispatch said all were involved in assaults on officials, including a German officer in the ministry of interior in Croatia.

Japs Are No Match For Allied Fliers They Find in Raid

GENERAL MACARTHUR'S HEADQUARTERS, Australia, August 24.—(P)—Brilliant defense by Allied fliers in Curtiss P-40 fighters sent the Japanese home from a big raid on the Darwin Airfield yesterday with little to show for their effort except the gaps left in their formations by the loss of four bombers and nine Zero fighters, General MacArthur's headquarters announced today.

The defending airmen's feat was the more remarkable because they intercepted the raiders at 25,000 feet, knocked down more than one out of every four of the 47 enemy planes and suffered no losses themselves although they probably were outnumbered.

The damage caused by the raiders was slight, the headquarters communique said.

Allied planes scored also on the offensive with an attack on buildings in the wharf area along Buka passage, the narrow strait between Buka and Bougainville in the Northern Solomon Islands. The communique said the results were unobserved.

Among the American defenders of Darwin yesterday were some veterans of fighting in the Philippines and Java, and their bag of 13 planes was believed to be a record for one day in this area.

The fliers carried out what Gen. MacArthur's communique

9 FIRMS INDICTED ON FRAUD CHARGES

Accused Gypping Uncle Sam
On War Contracts

WASHINGTON, Aug. 24.—(P)—The Justice Department announced today the indictment of nine companies and six of their officers on charges of conspiring to defraud the government in connection with the sale of more than \$50,000,000 of insulated cable to the Navy.

The announcement said that one company already had returned \$250,000 to the Navy on contracts involving \$2,000,000 and that a proportionate return was expected on the other contracts. This would aggregate around \$3,000,000.

Those named in the indictment were:

Rockbestos Products Corporation of New Haven, Conn.

General Electric Company of Schenectady, N. Y.

The Okonite Company of Passaic, N. J.

Collier Insulated Wire Company of New Jersey, with principal offices at Cleveland.

General Cable Company of New York (this company's plant at Bayonne, N. J., was taken over by the Navy for six days because of an outflow strike).

National Electric Products Corporation of Pittsburgh.

Anaconda Wire and Cable Company of Hastings-on-Hudson, N. Y.

Phelps Dodge Copper Products Corporation of New York.

called a "brilliant tactical interception."

The raiders approached Darwin from the west and the P-40's attacked them first while they still were over the sea. Three enemy bombers were caught in bursts of fire. They left their formations, jettisoned their bombs and American pilots saw them turn for home only to crash into the sea. The remainder of the Japanese

CHINESE DRIVE GETS JAP BASE

Linchwan Captured After
Long Siege in Which
U. S. Fliers Helped

CHUNGKING, Aug. 24.—(P)—Chinese forces have captured Linchwan (Fuchow) in central Kiangsi, second most important Japanese base in the province, the Chinese high command announced today.

Linchwan, on the Fu River 60 miles southeast of Nanchang, the main enemy base in the province, has been under Chinese siege for two weeks. United States army planes supported the Chinese ground forces in the early phases of the siege.

The city was captured by the Japanese in June during their drive up to Fu River toward Fukien Province. It lies south of the Chekiang-Kiangsi railway, along which the Chinese hitherto have scored their chief gains in a remarkable comeback campaign.

FOUR PLANE CRASHES CLAIM AT LEAST 25

Eleven Lost in Worst When
Navy Plane Plunges

(By The Associated Press)

At least 25 and possibly 26 officers and men were killed and three others injured yesterday in four scattered airplane accidents reported by Army and Navy authorities.

The Navy said 11 men were known to have been aboard a Navy patrol plane that crashed last night in a field near Dahlgren, Va., and that there may have been a 12th victim.

Second biggest disaster was the crash of an Army Flying Fortress bomber in the southern New Mexico mountains 20 miles northwest of Las Cruces in which seven were killed and two others injured in parachute landings.

Six airmen were killed and another critically injured when an Army medium bomber crashed on a wooded hill seven miles southwest of Bogalusa, La., exploded and burst into flames.

In the fourth accident, Second Lieut. Melvin F. Lacey, 21, of Sacramento, Calif., was killed when his Army pursuit plane struck a tree on a take-off from a base near Tallahassee, Fla.

who had fought the Italians in Yugoslavia had been executed in Rome. Seven others under 18 were reported sent to prison for 30 years.

The same dispatch said 8,000 men between 14 and 50 had been sent to concentration camps in Ljubljana, capital of Yugoslav Slovenia. The Italians were said to believe the town was one of the strongpoints of Gen. Draja Mihailovitch, the Yugoslav patriot leader, and boasted that one man would be left in Ljubljana.

Reuters reported today in a dispatch datelined "At the Italian Front," that 15 Slovene soldiers described as "Communists"

HITLER'S HORDE DRIVING AHEAD DESPITE LOSSES

Threat To Stalingrad Grows
More Acute Hourly with
German Tank Assault

CAUCASUS IN DANGER TOO

German Drive Slowed but
Not Yet Stopped as More
Reserves Sacrificed

B. JAMES M. LONG

(By the Associated Press)

Adolf Hitler's 1942 drive to the southeast which started at Kharkov two months ago drew portentously toward its supreme test today in the fiercely-defended 50-mile corridor between the Don and the Volga at the approaches to Stalingrad, and in the spurs of the Caucasian mountains 100 miles from the Grozny oilfields and only 200 from the Caspian sea.

Sapped by staggering losses, but yet to be checked, the onslaught in those two months had rolled almost 350 miles due east, and fully 500 miles southeast—virtually as far as the Nazis' 1941 thrust carried German arms across the Ukraine from the Carpathian Mountain frontier of Rumania.

The Russians acknowledged their defenses had been bent further back northwest and southwest of Stalingrad where they appeared determined to make another stand such as saved Leningrad and Moscow.

One major test was shaping up on the east bank of the Don where the Germans won a new bridgehead in terrific fighting southeast of Kletska, perhaps no more than 50 miles from the city named for Premier Stalin.

A Soviet communique said Russian troops and tanks were waging another fierce battle southwest of Stalingrad with a German tank column which pierced into Russian defenses from the Kotelnikovsk Salient, also beyond the Don.

Most acute was the menace of German tanks ferried across the Don northwest of Stalingrad under airforce protection after the Russians had smashed four previous Nazi bridgeheads.

Russian dispatches pointed out the Don is less than 500 yards wide at the bend and said the slow-flying, shallow water would constitute only a minor barrier; to reinforcements if the Germans were able to widen their foothold on the east bank.

The German high command said the force which crossed the river pressed eastward and "broke through strongly constructed enemy defense positions."

"German dispatches quoted a Berlin foreign office spokesman as saying 'the great and decisive battle for Stalingrad has now begun.' Farther north along the Don and on battlefronts northwest and southwest of Moscow the Germans acknowledged that the Russians had the initiative, but said the Red Army's assaults were repulsed.

Deep in the Caucasus, hard-pressed Russian forces withdrew southeast of Pyatigorsk to a new defense line guarding the way to Grozny, producing center of approximately 15 percent of Russia's oil.

One hundred miles beyond Grozny the Caucasus rail and oil pipe lines turn south along the shores of the Caspian, through the ancient caravan pass between the sea and the mountains to the great oil region of Baku.

The fields there are little more than 100 miles north of the Iraq frontier where Gen. Sir Henry Maitland Wilson, who led the British expeditionary force in Greece, heads a new imperial fighting command announced over the weekend.

While Russia hung on for her life, the gathering might of the western hemisphere bolstered the power and speeded the day the Allied counter-blow from the west.

To the invasion armies massed in the British Isles were added thousands of fighting-fit United States troops who landed at scattered ports from the greatest American convoy yet to cross the Atlantic.

British and German long-

(Please Turn to Page Six)

War Today

New War Front Looms In Middle East and Allies Getting Ready

It looks now as though we should see a new and perhaps decisive front opened before long in the Egyptian-Middle East theater, and it's the toss of a coin whether this will be initiated by the Allies or by the Nazi dictator.

There's no doubt the Allies are actively preparing for this possibility.

The fireworks might start in the middle east, but it's much more likely that they will be touched off in Egypt.

Of course, immediate establishment of a second front in western Europe might affect the trend in the middle east. It's unlikely, though, that Hitler's attempt to capture Egypt and the middle east would be scrapped, because the side which holds that strategically vital zone probably will win the war.

Hitler has perhaps two months of fine campaigning weather left. Should he in that time be able to fight his way to the border of the middle east, he might well attempt to continue his drive.

But if the Russians are able to stop Hitler short of the southern Caucasus he must develop his middle eastern campaign differently. He then will attempt to strike from Egypt and will be able to throw men and equipment into the operation from the winter-bound Russia. front while he holds there with a greatly reduced force.

Hell is going to pop in Egypt before long, unless the signs are all wrong. When the fighting stopped neither side was strong enough to conduct an offensive. Since then they have been waiting for reinforcements and the side which gets set first will be the one to strike.

We have no information as to how luck has treated the desert opponents. We aren't likely to know until one or the other launches a new offensive—and the one who strikes will be the one who has got his aid first.

SATURDAY'S STORM

DAMAGE NOT GREAT

Some Corn Blown Down but Rain Beneficial

The wind and rain storm which came up about 6:30 P. M. Saturday left its mark in several spots in the county, although the damage in most places was slight.

At some points trees were blown across telephone wires, causing telephones to be out of commission for a time, and some of the corn was damaged slightly, being blown down, which may result in making the corn cutting somewhat difficult.

The precipitation in Washington C. H. was only .31 up to 7 A. M. Sunday morning which is not an unusual amount, but the wind which accompanied the rain seems to have caused whatever damage there may have been.

The rain was much heavier in some parts of the county, particularly in the northern section, where fields were left covered by the brief deluge.

For the most part, farmers agreed the rain was beneficial and offset the wind damage.

FINAL SERVICES HELD FOR MRS. UNDERWOOD

Funeral services for Mrs. Sarah B. Underwood were held at 2:30 o'clock Saturday afternoon at the Kiever Funeral Home.

Rev. Henry Leath conducted the services, offering prayer, and scripture reading, and a memoir, paying personal tribute. The services were largely attended and many beautiful floral pieces were sent by friends. Mrs. Lydia Rumer and Mrs. Gladys Sibole sang three hymns, "Going Down the Valley," "No Disappointment in Heaven," and "Goodnight and Good Morning."

Burial was made in the Washington Cemetery. The pallbearers were Robert and Clifford Underwood, Gossard and Lawrence Stewart, Darryl Hurles and Baldwin Buck.

PLANS MADE BY METHODISTS FOR A SPECIAL FUND

Washington Men on District Committee; Series of Meetings Planned

Members of the Grace Methodist Church, of Washington C. H., and other Methodist churches of Fayette County which are a part of the Wilmington District of the Ohio Methodist Conference, are taking part in plans now being completed for a campaign in October and November to raise a fund to assist retired pastors.

A District Conference Claimants Fund committee selected includes Dr. J. F. Wilson and Rev. George B. Parkin of the Grace Methodist Church of this city, which is the largest church of this denomination in the Wilmington District.

Other members of this committee are: C. A. Devore, Wilmington; B. R. Riber, Hillsboro; Jenaro N. Wolfe, Greenfield, Ohio; C. A. Boone, Xenia; Mrs. E. P. Mundy, Terrace Park and Revs. Vernon Van Buren, Wilmington; R. B. Wilson, Xenia; W. B. Richards, Greenfield and C. R. Spangler, Batavia.

Ten members of this district committee attended a meeting at the home of Rev. Edward F. Andree, district superintendent, Tuesday night at which plans were made for a series of meetings throughout the district.

All members of the district committee are to attend a central training conference at the Seneca Hotel, Columbus, September 15 and 16.

Four meetings have been planned in the Wilmington district which will be attended by the pastor and Conference Claimant Fund committee in each charge. These meetings are scheduled as follows:

Wednesday, September 23, at Batavia for Clermont, Hamilton and Warren counties, and at Georgetown for Brown County; Thursday, September 24, at Hillsboro for Highland and Adams counties, and Friday, September 25, at Wilmington for Clinton, Greene and Fayette counties.

A final meeting is scheduled for each Methodist church congregation in the Wilmington District on Thursday, October 1. It is planned to conduct the drive in this district from October 1 to 15.

STROKE IS FATAL TO MRS. JOHN SMITH

Funeral Services To Be Held Wednesday Afternoon

Mrs. John Smith died at her home in Leesburg at 6 o'clock Sunday evening, following a stroke which she suffered about 11 A. M. that morning.

She was found on the floor of her bedroom where she had been dressing for church, by her husband, who is a filling station owner in Leesburg, as he came in to get her to accompany him to church.

Mrs. Smith was born January 10, 1882, in Fayette County, her maiden name being Verna Bell Russell. She was well known in the community and leaves a wide circle of friends.

The funeral will be held at 2:30 Wednesday afternoon at the Leesburg M. E. Church, with Rev. C. A. Arthur, of Leesburg, and Rev. W. G. Neal, of Bowersville, officiating.

Burial will be made in White Oak Cemetery. The only surviving member of her immediate family is her husband.

The United States has taken over seven billion dollars worth of alien property.

WILLIAM H. BENNETT IS CALLED BY DEATH

Funeral Services To Be Held Tuesday Afternoon

William H. Bennett, 70, died at the Mark Rest Home about noon Saturday following an illness that had taken a serious turn only about a week before.

He was a native of Fayette County and had lived in the Buena Vista community until 1906, when he came to Washington C. H. In the city he made many friends while employed at the Washington Milling Co. and Fogle's Grocery on S. 10th North Street.

He is survived by his widow; three sons, Orris of Dayton, Kenneth in the army and Loren of Washington C. H. and three daughters, Mrs. Ola Lenhart of Pueblo, Colo., Mrs. A. C. Garlinger and Mrs. Gertrude Steele, both of Washington C. H. He also leaves eight grandchildren and a brother, Jacob, of near Buena Vista.

Funeral services will be held at the White Oak Church, of which he had long been a member, at 2 o'clock Tuesday afternoon and interment will be in the church yard cemetery.

Friends may call at the Hook Funeral Home until time for the funeral.

Tropical orchids are commonly epiphytes—that is, they live on the outside of trees, but are not parasites. They do not take food and water from their host, but only obtain minerals from the decaying bark.

LOW PRICE CARS FROZEN BY OPA; CLERK NOTIFIED

Order Is Expected To Have Little Effect Here Where Few Available Anyway

County Clerk Olive Icenhower has just received notice that an order from the Office of Price Administration, effective August 18, had "frozen" until October 31 all sales and deliveries of certain types of motor vehicles held for sale by any person including dealers, manufacturers, distributors or finance companies if the list price under the OPA price schedule is \$1,000 or less.

It was ordered that delivery of such models as itemized in the order should not be made even to certificate holders and no registration should be made unless applicant for registration of such cars can show that sale and delivery were completed before August 18.

While it is not expected that many sales in Fayette County will be affected by this order owing to the difficulty in getting the cars named in this latest freezing restriction, there undoubtedly will be some person disappointed who had planned to buy one of the cars listed in the OPA order.

The instructions listing the type of cars affected, sent to all county clerks of court in Ohio as shown in the letter received from Cylon W. Wallace, the state registrar, by Clerk of Courts Icenhower here, were as follows:

"Herewith following is copy of telegram received by Governor Bricker from Leon Henderson, Administrator Office of Price Administration:

"The cooperation of your office is respectfully requested in the following matter: Amendment 13 to Automobile Rationing Order 2A effective August 18, freezes until October 31 all sales and deliveries of 1942 Model four-door hard top Ford, Chevrolet and Plymouth sedans held for sale by any person including dealers, manufacturers, distributors, or finance companies if list price as shown by OPA price schedule 85 (Appendix A) is one thousand dollars or less. Delivery of these models should not be made even to certificate holders. These models are described by manufacturers in price schedule 85 as Chevrolet-Stylenaster, Fleetmaster, Sport Sedan and Fleetline, Sportmaster Sedan; Ford-Special and Deluxe and Super Deluxe Six and Deluxe and Super Deluxe Eight Four-door Sedan; and Plymouth Model P-14s and Model P-14c, Four-door Sedan and Town Sedan.

"Please do not register any automobiles not previously registered for use unless applicant can show that sale and delivery were completed before August 18. The following agencies are not affected by the Amendment: Army, Navy or Marine Corps of United States, United States Maritime Commission Panama Canal, Coast and Geodetic Survey, Coast Guard, Civil Aeronautics Authority, National Advisory Commission for Aeronautics, Office of Scientific Research and Development Lend-Lease Administration, or any person acquiring a new passenger automobile for export to and use in any foreign country. There is no restriction on sales to certificate holders of such four-door sedans which on August 18 had been driven over one thousand miles or cars which were held for use and not for resale. Will you please advise your automobile licensing and registration office of the above facts."

"Please be guided by the above instructions. Do not issue titles for cars described therein."

MERCURY TAKES TUMBLE BUT SUN WARMS AIR

Blankets have felt good the last couple of night and mornings have been noticeably cool, but by midday, after the sun has been out for a few hours, the atmosphere warms up as evidence that summer has not yet completely left.

The minimum reading last night and at 8 A. M. this morning was 48 degrees in contrast to a minimum of 59 last year at this date. The maximum temperature was 74, with last year's maximum reading at 82. Precipitation was .05.

6 YOUNG PEOPLE FROM HERE HURT IN AUTO CRASH

Three Taken To Hospital but Indications Are They Were Not Critically Injured

The Leesburg highway, Route 62, was the scene of a serious motor car accident late Sunday afternoon when a Ford coach carrying six young people of Washington C. H. and nearby, returning from a trip to Maysville, Ky., struck the end of the bridge over Lees Creek just beyond the Pavey Hatchery, about 14 miles from this city. Most of the occupants of the car were injured.

The car was driven by John Justice, 19 years old, 504 South North Street. With him were John Ervin, Elwood Lee, who lives at Cook Station and three girls, Odesa Justice, 17, Virginia Woodward and Marleen Quick, of this city.

The Woodward girl suffered a broken left leg, John Justice was badly cut, and John Ervin had a severe gash back of his ear, which required several stitches to close. These three were removed to the Hillsboro Hospital in the Barrett ambulance from Leesburg, and the others were able to go to their homes. The car, which was badly damaged on the left side, was brought to Tim Hughes' garage on East Street by the Barrett's wrecker, from Leesburg.

The attending physicians were Dr. Lowe from Leesburg and Dr. Roads from Hillsboro. The three who were badly injured are still in the hospital, and are reported painfully and badly cut but not critically injured.

EXPENSES FILED FOR CAMPAIGNS BY CANDIDATES

Accounts of Three Not Yet Received by County Election Board

Thomas H. Parrett spent \$75.56 on his successful campaign for the Republican nomination for county commissioner, his expense account filed with the County Board of Election shows.

David V. Glass and J. Edmund Smith, Parrett's two opponents for the nomination, spent \$22.50 and \$146.46 respectively.

If the expense accounts are any criterion, the most ambitious campaigns for the primary, held last August 11, were made by the five candidates for the Republican nomination for representative to the state's General Assembly.

W. Stanley Paxson, the successful candidate, has not yet filed his expense account. But, Webster C. French spent \$198.32 on his campaign and Virgil Perrill spent \$111.96. Neither Captain John F. Otis nor Rev. Charles Bowen have filed their accounts with the board yet.

Warren Hutchison, who was unopposed for the Democratic nomination for county commissioner, reported to the board that he had spent nothing. But, Ulric Acton, although unopposed for the Republican nomination for county, got off to an early start with his campaign for the election by making a \$26.11 effort during the primary campaign to lay in a backlog of complimentary votes.

Hutchison will be opposed in the November election by Parrett, who edged out Glass, the incumbent, in one of the closest political races here in some time.

Acton must make his final bid for the auditor's office against the Democratic incumbent, Roy Baughn.

Paxson will run against Loren Hynes, who resigned as deputy county auditor to go into farming last spring, in the election for a representative.

Under the law all candidates must file an itemized account of their campaign expenses with the Board of Elections and present evidence of payment of all bills incurred before they are eligible to place their names on the ballot in the general election, in the case of the primary campaigns, or to hold office, in the case of the general election campaigns.

JOINT MEETING OF ROTARY AND LIONS

Naval Aviation Cadet Program Feature Tuesday Evening

More than usual interest has been shown in the joint dinner meeting of the Washington Rotary and Lions clubs to be held at the Washington Country Club Tuesday at 6:30 P. M., when the feature of the program to follow will be presented by the Naval Aviation Cadet Selection Board of the U. S. Navy, represented by Lieut. R. S. Wilson.

A short movie and address will be given and it is probable that other representatives of Naval Aviation Cadet Selective Service will accompany Lieut. Wilson.

Interested youths invited

Quiet inquiry has been made by members of both clubs to learn what young men of this community may be interested in enrolling in this service at some future date and all boys, even those who are seniors in high schools of this county, who may consider enrolling later, are cordially invited to be guests at the joint club dinner to hear an explanation of what this service is and how it may be entered. It is announced that no boy need fear embarrassment by personal pressure being made upon him to join.

Club officers have been informed that Lieut. Wilson and members of his staff will be glad to interview any interested young men after the meeting or will remain over until the next day to complete interviews if desired.

The Tuesday night program will supplant the regular Tuesday noon luncheon of the Rotary Club.

D. T. & I. TO SELL OLD RIGHT-OF-WAY

The D. T. and I. Railroad Co. is selling the old Grasshopper right-of-way between Jeffersonville and Sedalia, to adjoining property owners.

A number of the transfers have been recorded recently, and indicate that since abandonment of the road, adjacent farm owners are anxious to eliminate the irregular farm lines caused by the road cutting diagonally across their lands.

QUIET WEEK END HERE, POLICE BLOTTER SHOWS

The Washington C. H. police reported an unusually quiet weekend so far as the city was concerned. Three ordinary drunks were placed under arrest but were released on bonds ranging from \$11.20 to \$16.20. The cells in the men's department of the city prison were empty Monday morning for the first time at the beginning of a week in several weeks.

SORDID STORY IS UNFOLDED IN POLICE COURT

Mother of Seven Locked Up For Disorderly Conduct as Old Suspicions Probed

A sordid story was revealed in police court when Mrs. Margaret Holly, who has been living near Stanton was arraigned before Judge Murry on a charge of disorderly conduct. It was said that she had created a serious disturbance at Red Cross headquarters when she went there to learn what had become of her seven children who had been taken to the Detention Home in Dayton by Sheriff W. H. Icenhower and Constable Carol Ater Friday. It had been reported that the children were badly neglected and were undernourished.

Police officers said the woman had been a source of trouble due to reports of delinquency regarding her. Mrs. Holly was fined \$5 and costs and committed to jail for five days.

At the same time a man whose name was given as Ira Alfred Smith was held for investigation when he claimed to police officers that he was willing to help take care of the children and the woman.

The possibility of more serious charges growing out of the case became known when it was stated by the police that the woman's husband had disappeared about a year ago in company with Smith, who is now being held, and that some of the relief and other authorities who had made some investigation at the time held some suspicion of foul play in the case of the husband.

Police also stated that Dayton authorities had indicated that they wanted Mrs. Holly on some charge and were expected to come here after her.

The Holly family is reported to have lived part of the time in or near Dayton and were not regular residents of this community.

Police officers said Monday that Smith was released Sunday after questioning. He declared he knew nothing about the whereabouts of Holly, whom he had become separated from in Texas, many months ago, soon after they had gone there together. Smith enlisted in the army at the time and is connected with a military camp at El Paso, Texas, being a member of Battery D in an artillery division. He claimed he was here on a 20 day furlough which would expire Monday. He was released to return to his camp.

Brewers Take Lead In AA Scramble; Red Birds Second

(By The Associated Press)
Those baffling Brewers of Milwaukee have broken through the American Association bottleneck on top and are in an enviable position to increase their lead as they open a series tonight with last place St. Paul. Milwaukee climbed on the roof for the first time in a couple of months by winning seven straight games before Minneapolis stepped in yesterday to capture the back end of a double-header.

Columbus, although losing twice to Louisville, controlled second place, a half game behind the Brewers, while Kansas City was planted in third and the Colonels and Minneapolis locked in fourth and fifth, only four games behind the leader.

The Colonels clipped the Red Birds 7 to 2 and 7 to 3. "Chick" Sayles kept nine hits well spaced in the opener while his Louisville mates were making the most of the same number of wallop, bunching six of them for five runs in the third inning off Bill Crouch.

Red Kress, with four hits in four trips, and Andy Gilbert, with two hits, paced the Colonels' 10 hit attack on Harry Brecheen and Kenny Burkhardt in the after piece.

Milwaukee, after beating the Millers 6 to 5 in the first game, dropped the second 6 to 3. St. Paul made good use of four hits to beat Tommy Reis and Kansas City, 3 to 1, but lost the nightcap, 7 to 2.

One of the best hurling jobs of the season was turned in by John Hutchings of Indianapolis who shutout the Toledo Mudhens, 1 to 0, on three hits after the Hens had swept the first game, 5 to 1.

-Spying- On Sports

By Hugh Fullerton, Jr.

NEW YORK, Aug. 24—Here are a couple of new angles on the football-for-soldiers business was presented by a guy who was closely connected with the college game before he went into the army air force. His idea is that the only service men who can get ready to play tough schedules are the cadets who have regular hours set aside for athletics. The ones who work with planes (or make it make chinequins, tanks, etc.) for 12 or 14 hours a day are too tired for serious athletics. "The boys in khaki have another big battle and they will not be interested in football as they were in college."

Sailor's Sale

When a sailor thumbed a ride on a truck in Detroit the other day the result was the sale of \$27,500 worth of tickets for the Amateur Softball Association world championships. The sailor was chief petty officer Max Gail. He told the truck driver, who was Bill Barnett, athletic director of the teamsters union. Barnett got a bright idea and the eventual result was that the union bought out the U. of Detroit stadium for the night of the tournament semi-finals.

Today's Guest Star

Arthur Siegel, Boston Traveler: "The prize yarn out of the minors comes from the Bi-State League, where the Burlington team was penalized \$200 because the fans threw mud at the visiting Danville players. . . . Some times when a man throws mud, he's elected to public office."

Service Dept.

Branch Rickey reports that the St. Louis Cardinals' organization has sent 124 players to the armed forces, and the latest P. G. A. checkup shows 148 pro golfers in.

Reds and Sailors To Play Benefit At Great Lakes

GREAT LAKES, Ill., Aug. 24—(P)—Decorated with two brand new coats of whitewash, the Cincinnati Reds stopped here today to attempt what they couldn't do with the help of the Chicago Cubs June 30—beat Mickey Cochrane's Great Lakes Naval Training Station team.

The Sailors whipped a Cincinnati-Chicago combine 3-1 in an Army-Navy benefit game at Cincinnati, and it would be a surprise if the back-pedaling Redlegs win today. Cincinnati's attack hit a new low yesterday when Claude Passeau blanked them 3-0, and Lon Warneke downed them by the same score on two hits in the nightcap.

Horseshoe Pitchers Balked by Weather

CINCINNATI, Aug. 24—(P)—Weather caused postponement of the final playoff of the Ohio A.A.U. horseshoe pitching championships at Noorwood yesterday. Round-robin matches to determine the champion will be held next Sunday. Stan Manker of Chillicothe was third with 184.

SPECIAL GIRLS' GAME BOOKED FOR THURSDAY

Plans are being made for a special game next Thursday night between Albers Cats, in charge of Miss Georgibel Graves, and Rife's Rowdies, in charge of Miss Carol McCoy.

The members of these teams are girls from Washington C. H. and surrounding towns. Most of them played on a team in the Girls' League last year.

These teams have played one other time this year and Rife won by a score of 19 to 7.

The other regularly scheduled Industrial League game between the American Legion and the Forest Shade Grange will also be played.

The time for these games and one that will be played first will be announced later this week.

DODGERS' LEAD IS LENGTHENED BY DOUBLE WIN

Cubs Hand Reds Pair of 3-0 Shutouts—Baseball Benefits Completed

By AUSTIN BEALMEAR

(By The Associated Press)
The last 16 teams yesterday chalked up their most important "assist" of the season—designed to help the families of the nation's fighting men.

The program, in which the receipts of eight regularly scheduled games in each circuit were earmarked for army-navy relief, was completed when the American League boosted the contributions past the half million dollar mark.

A New York crowd paid an estimated \$80,000 to see the Yankees and the Washington Senators. In Detroit, the Tigers and the St. Louis Browns drew a gate of \$68,172. And approximately \$30,000 came in at Philadelphia, where the Athletics met the Boston Red Sox.

These doubleheaders, redesigned as relief games after the first five American League army-navy contests brought in less than \$75,000, enabled the junior circuit to surpass its quota of \$250,000, although it fell short of \$270,000 produced by the National League.

As for the pennant races, the Yankees watched their American League lead shrink to nine full games while the Brooklyn Dodgers hiked their margin in the National League to seven and a half.

The Dodgers, who open an important four-game series with the second-place Cardinals in St. Louis tonight, turned back the New York Giants in both ends of a double bill.

The first game went ten innings before Dolph Camilli came up with the bases loaded and blasted the only ball pitched by reliever Harry Feldman for a grand slam homer to trip the Giants, 6-4. Camilli also drove in both the other Dodger runs, but Mel Ott nullified these with a two-run homer and Johnny Mize gave the Giants a short-lived lead with a four-bagger that netted two runs in the top half of the tenth.

Darkness held the second game to five frames and again it was a last ditch rally that gave the Brooks the nod, 7-5.

The Pittsburgh Pirates ended a St. Louis winning streak at eight games when a home run by Elbie Fletcher downed the Cards, 5-3 but Murry Dickson pitched the Red Birds to a 5-2 verdict in the after-piece.

Boston and Philadelphia split, the Braves taking the first game, 3-1, and the Phils grabbing the nightcap, 2-0, on Rube Melton's four-hit pitching.

In the American League, the Senators rallied for three runs in the ninth inning to beat the Yanks, 7-6, but Ernie Bonham blanked Washington, 3-0 in the nightcap.

The Chicago White Sox took a 3-1 decision over the Cleveland Indians, but Jim Bagby hurled the tribe to a 1-0 triumph in the ten-inning nightcap.

The Boston Red Sox picked up a game on the leaders by shutting out the Athletics, 2-0 and 7-0.

The St. Louis Browns pulled to within half a game of third-place Cleveland by stopping the Detroit Tigers, 2-1 and 4-2, the second game going ten innings.

Fiery Duck Boss Back from Exile

CHARLESTON, W. Va., Aug. 24—(P)—Howard (Ducky) Holmes, fiery manager of the Dayton Ducks of the mid-Atlantic League, was back in uniform today after a week's suspension for disputing an umpire.

League President Elmer Daily suspended Holmes indefinitely following an argument with the umpire at Canton, but lifted the order as the Ducks came here Saturday for a five-game series that might decide the league's pennant winner.

Legion Has Only Unbeaten Team In Either of Softball Leagues

The first half of the second round of the softball schedule has been completed and the standings of the teams are considerably changed in the Industrial League but are practically the same in the Church League.

In the Church League, the Presbyterians and the Methodists are in first place. The first

round of play ended with both teams tied at the top of the loop but the Methodists won in the deciding game. The Church of Christ and St. Colman's Catholic Church are tied for second place. These teams have both won one and lost two. The Methodists and the Presbyterians have won two and lost one.

American Legion team is out in front with three wins and no losses and is closely followed by the Cudahy crew and Light's Dairy with two wins and one loss.

ADIOS IS GREATEST PACER IN YEARS EXPERTS SAY AFTER FOX STAKE WON

By BOB KENEFICK

Adios proved that he was the greatest pacer of years when he took the \$15,000 Fox Stake for two-year-old pacers. However, it took three heats and a match race to decide the issue with Widow's Pride, with Vic Fleming in the sulky, taking the second heat. In the raceoff Rupe Parker's great colt had too much brush for the Maine pacer owned by Sullivan and Mawhinney.

Volo Song Great Also

Volo Song is being hailed as the greatest two-year-old trotter in history. As good a judge of horse flesh as Henry Knight of Almahurst Farm, Lexington, Ky., declares that he never saw as good a trotting colt as Volo Song which is saying a lot for Bill Strang's youngster. It also took Volo Song three heats to annex the \$13,000 Horseman Stake here on Tuesday night. In the second heat the barrier was sprung when Volo Song was far up the track and he never had a chance. In the match race, the third heat, the Strange entry romped home in 2:06 1/4, a new world's record for a third heat for baby trotters. However, it was a thrilling race while Worthy Boy, with Lee Smith in the sulky, could keep pace with Ben White's stepper. The times by quarters of the final heat were: 34, 1:05, 1:35 1/2 and 2:06.

Saratoga a Success

Milton Danziger, General Manager and W. Ellis Gilmour, president of the track at Saratoga, are pleased with the attendance and mutual handle for the 1942 season.

Softball Tourney Reopens Tuesday

COLUMBUS, Aug. 24—(P)—The Men's State Softball Tournament, postponed by weather Saturday, will be resumed Tuesday night.

A fourth semi-finalist still was to be selected when the delay was announced. The Ferguson State Auditors of Columbus were leading Owens - Corning of Newark 3 to 7 with two out in the first half of the fifth inning. The tournament will resume at that point.

On Wednesday night in a semi-final Barklow Engineers of Portsmouth meet Bert's Billiards of Dayton.

The Spanish settlement established at Cebu in 1565 served as the Philippine capital until 1571.

SAVES TIME AND TRANSPORTATION
TRIP
Signature
LOANS

THERE'S A NEW KIND OF LOAN SERVICE FOR WASHINGTON C. H.

Busy people can now get a \$10 to \$250 or more loan in just one trip. It saves time, tires and avoids crowding transportation facilities. Any regularly employed man or woman may apply. Here is how: Telephone this office and say, "I would like to arrange a ONE TRIP SIGNATURE LOAN." Tell us the amount you need, answer a few questions and tell us when you will stop for the money. We make all arrangements and will be ready to complete the loan when you come in.

"I SUPPOSE WHEN I GO TO THE HEREAFTER THE FIRST PERSON I'LL SEE WILL BE AN AP MAN"

Mohandas K. Gandhi

The first man Mohandas Gandhi asked to see when he was first jailed for revolt several years ago was an AP correspondent.

"The Associated Press," said Gandhi, giving it his farewell message, "has reported the political situation in India as no other news organization."

Months later, when the Indian leader was released amidst greatest secrecy, after midnight and at a lonely railroad station, the first person to greet him was an Associated Press reporter.

"I suppose," said Gandhi, "when I go to the Hereafter, the first person I'll see will be an AP man!"

Now, as Gandhi launches a new revolt, AP men are on top of the news again with fast and accurate reporting for 1400 Associated Press members.

Preston Grover, whose recent interview with Gandhi forecast the present crisis, scored with dramatic first-hand accounts of the effects of Gandhi's civil disobedience. Grover's automobile was stoned as he toured rioting Bombay.

Also in India to cover this great story are such veterans of the AP foreign service as Daniel De Luce and William McGaffin, assisted by other correspondents throughout the vast country.

There's always an AP man on the job!

Daniel De Luce William McGaffin Preston Grover

Announcement of Betrothal And Approaching Marriage Of Miss Leah Mae Custer

Mr. and Mrs. Paris James Custer, of Washington C. H., announce the engagement and approaching marriage of their daughter, Leah Mae, to Mr. Durward E. Tatem II, son of Mr. and Mrs. Durward E. Tatem of 965 East Broad Street, Columbus. The formal, open church wedding will take place with the Rev. G. B. Parkin officiating, the afternoon of August 30th, 4 P. M., at the Washington C. H. Methodist Church.

Mrs. Earl Hickie (the former Martha Custer) of Indianapolis, will attend her sister, Leah Custer, as matron-of-honor. Mr. Paul Custer also of Indianapolis, will attend the groom as best man.

Miss Custer, is a graduate of Washington High and is employed by Curtiss Wright. Mr. Tatem graduated from Bexley and attended Tri State College of Engineering, majoring in aeronautics. He is owner of the Film Centre Studios, 965 East Broad, of Columbus, and is known professionally by the pen name Rio Conde in fashion illustration for many national publications. He is associated with the Curtiss Wright Corp. as manager of the department of photography.

A reception will follow immediately after the ceremony, at the home of the bride's parents, 917 Washington Avenue. The newly-weds expect to honeymoon at the famous Potawatomi Inn on Lake James.

Elizabeth Otis Honored at Gay Birthday Party

A very jolly and delightful party on Saturday afternoon, complimented little Elizabeth Otis, young daughter of Captain and Mrs. John F. Otis, celebrating her approaching seventh birthday on Wednesday, August 26.

It was an altogether happy affair for which the group of gay youngsters were invited to the beautiful "Fayette Farms" country place of the guest of honor's grandfather, Mr. William M. Campbell, where they romped on the large, shaded lawns.

Games and contests were hilariously enjoyed, with the "pin the tail on the donkey" contest won by Mary McDonald and Sandra Campbell, who were presented glass bowls filled with goldfish, which delighted them to the utmost.

Attracting the attention of all, and exceptionally popular were the horses and ponies for the youngsters to ride and which were in constant demand.

The adorable brown-eyed "Liz" was a charming little hostess, welcoming each of her guests in her winning manner. Her younger brother, Johnny, was a ringleader in the afternoon's activities. The two cunning tots were dressed in smart frock and sister outfits of nautical design.

Many lovely gifts were presented to "Liz" for which she thanked her friends.

Climaxing the afternoon's pleasures was the serving of plates holding individual cakes, ice cream, cellophane bags of peppermints, and a small toy, favors of the party.

Entertains Hamburger Fry

In honor of Bob and Dick Dawson, who were celebrating their twelfth birthdays on Sunday, Mrs. Frank Littler entertained with a hamburger fry.

The hamburgers were cooked on the out-door oven of the hostess and all accessory dishes which go to make a meal of this type complete, were served.

Guests included Mr. and Mrs. Homer Cherry, Mr. and Mrs. Joe Tiesman, Mr. and Mrs. Virgil Littler, daughter, Joyce, of Greenfield, Mrs. Eph Worthington.

Fish Fry

The annual fish fry of the F.S.A. families of the Phillips tract was held Friday evening at the home of Mr. and Mrs. Ernest Moberg on the Phillips road.

The spacious and well lighted lawn was filled with a throng of over sixty people, both adults and children, enjoying the fine fish supper.

The entire office staff from the Atlanta F.S.A. office was present and participated in the happy occasion.

Other guests were present from Columbus, Clarksburg and Washington C. H.

Mrs. Omar Sturgeon was in charge of the devotionals, using the church as her subject. Sixteen members answered the roll call. Letters were read from Eldon Armbrust and Bob Gordon, who are in the service, thanking the society for the testimonials sent them.

Mrs. Hazel Caplinger was in charge of the program which was given by children of the members.

Supper Bridge Is Entertained by Mrs. Robert Edge

Mrs. Robert Edge was a delightful hostess Saturday evening when she very graciously entertained her Saturday night Bridge Club for a supper-bridge at her home on Leesburg Avenue. Three guests were included with the members to share the hospitality.

Covers were laid for twelve at one long and one small table which were perfectly appointed and attractively centered with silver bowls of colorful fall flowers. Unusual placecards which were tallies made of sea shells were at each place.

After the supper hour, the guests enjoyed a lively bridge game, the prizes being awarded to Mrs. Frank Jackson, Mrs. Edgar Coil, and Mrs. Walter Jones.

Members of the club enjoying the hospitality were: Mrs. Glenn Pine, Mrs. A. S. Stemler, Mrs. S. A. Murray, Mrs. Howard Engle, Mrs. Rose Hughey, Mrs. Glenn Rodgers, Mrs. Myrtle Mallow and Mrs. Edgar Snyder. Guests included with the members were: Mrs. Frank Jackson, Mrs. Walter Jones and Mrs. Edgar Coil.

Phyllis Wilson August Bride of Howard Preston

In a quiet and impressive wedding service performed Saturday evening at a quarter 'til nine o'clock, Miss Phyllis Wilson, daughter of Mr. and Mrs. Albert Wilson, became the bride of Mr. Howard Preston, of Sabina.

The ceremony was solemnized at the home of Rev. C. S. Thompson, with Mr. and Mrs. Hugo Cross as the attendants.

The very pretty bride wore a most becoming suit of poudre blue with which she combined white accessories. Her flowers were a corsage of pink roses.

Mr. Preston is employed at the Cudahy Company.

The young couple will be at home to their friends at 325 Cherry Street.

Gene Autry and Mystery Thriller At State Wednesday - Thursday

New Romantic team: Richard Carlson and pretty Nancy Kelly share plenty of excitement as co-stars of Paramount's thrilling murder mystery, "Fly by Night," opening Wednesday at the State Theatre. When Carlson, a stranger to Nancy, breaks into her room with the police behind him, the fun and excitement start.

Gangland takes it on the chin when Gene Autry, the saddle songster, dishes it out for his latest picture, "Sierra Sue" as the second thrilling hit which opens Wednesday at the State Theatre.

Miscellaneous Shower Party Given by Two Hostesses for Mrs. Fuller Jefferson

Miss Eleanor Hook and Miss Mary Jean Gage charmingly combined hospitalities to entertain with a lovely shower on Friday night, complimenting Mrs. Fuller Jefferson (Barbara Lou Farquhar) of Springfield.

The joyous affair, assembling schoolmates and close friends of the popular honor guest, was held at the home of Miss Hook's parents, Mr. and Mrs. W. R. Hook, which was a perfect setting for the bevy of beautifully costumed young ladies.

A pink and blue color scheme was used in decorations and was most effective. Gorgeous bouquets of periwinkle, adgeratum and baby breath adorned every vantage point, and centered the small tables for the dessert course, which was as pretty as delicious.

'Magnificent Ambersons' Coming

George, the arrogant scion of the town's leading family, finds at least one other person in the universe whom he considers worthy of his attentions—this being Lucy, the daughter of his mother's old friend and one-time sweetheart. The characters and the scene are from Booth Tarkington's "The Magnificent Ambersons," which Orson Welles has made into a notable screen drama to be shown at the Fayette Tuesday and Wednesday. Tim Holt and Anne Baxter are shown as George and Lucy.

Hats Done in Jiffy

By LAURA WHEELER

Crocheted hats, the past season's outstanding vogue, are a Fall Fashion must. The top hat, a chenille beanie has side and front decoration of ruffled flowers. The meshed hat with looped ruffle is done in no time. Pattern 441 contains directions for hats; illustrations of stitches; materials required.

Send ten cents (plus one cent to cover cost of mailing) for this pattern to: The Record-Herald Needlecraft Dept., 82 Eighth Avenue, New York, N. Y. Write plainly PATTERN NUMBER, your NAME and ADDRESS.

REZONING TO LOWER A. & P. STORE PRICES

Increase in Business Is Given Credit

A recent re-zoning of Atlantic & Pacific Co. stores which took place at the main office of the company in Columbus this week has made it possible for the large new A. & P. super-market here to lower prices from one to three cents on a considerable number of items, W. H. Theobald, the manager, said.

The re-zoning of the store here came about from the increase in the volume of business and the larger turnover which this brought about. A & P stores doing a certain volume are the only ones affected by this price reduction and as there are a great many products on the reduced list, it affords the store here to make price adjustments, the manager said.

Due to the ruling of ceiling prices, the lower cost of these items will remain at the present point for the duration of the war, Theobald indicated.

"Some day I'm going to sail to the South Sea Islands... Not so fast there, Snooky. Better find out first if I can get Light's milk there every day."

Personals

Mr. Elton V. Tool was a business visitor in Columbus, Monday.

Mr. and Mrs. Herbert Fite and Mrs. Lon Scott were on a motor-trip through Kentucky, Tennessee and Smoky Mountains over the week-end.

Mr. and Mrs. Ormond Dewey visited over the week end with Mr. and Mrs. Robert Selsberry in Columbus.

Little Sue and Sarah Ann McCool who have been visiting with their grandparents, Mr. and Mrs. J. H. McCool, have returned to their home in Covington. Their parents Mr. and Mrs. John McCool came for them and motored them home Sunday.

Mrs. Frank Littler was in Greenfield Sunday afternoon, attending the funeral of Miss Alice Depoy.

Mrs. Carrie Cline Deere, accompanied by Mr. and Mrs. John Van Pelt, of Sabina, are visiting friends in Peoria, Illinois.

Mr. and Mrs. Mac Dews, and Mr. and Mrs. Donald Parrett returned Sunday from a week's vacation at Round Lake, near Adrian, Michigan.

Mr. and Mrs. Ben F. Norris, daughter Peggy, are vacationing in northern Indiana.

Mr. and Mrs. Colin Campbell, daughters Joann and Claire Frances, were Sunday guests of Mr. and Mrs. O. O. Thompson in Cincinnati.

Misses Marian and Patti Osborn of Columbus, visited over the weekend with their parents, Mr. and Mrs. R. J. Osborn. On Sunday they attended the annual Osborn reunion held at the Sabina Methodist Grounds.

Loring Brock, Jr., of Columbus, visited over the weekend with his parents, Dr. and Mrs. L. L. Brock. Sunday dinner guests included Mr. and Mrs. Robert Brubaker of New Orleans, Mr. and Mrs. R. L. Brubaker of Greenfield, Mrs. Wilbur Brubaker and children of Elyria.

Miss Carla Ruth Roache, of Savannah, Georgia, who has been the house guest of Miss Victoria Otis, for the past three weeks, left for her home Saturday morning.

Mr. and Mrs. Hugh Creamer, Mrs. R. J. Stout, Jr., spent Sunday with Mr. and Mrs. R. J. Stout, Sr., of Granville.

Mr. and Mrs. Ray Seblom, son Bobby, returned Saturday from a vacation at their summer cottage on Dewey Lake, Michigan.

is stationed at Ft. Francis, East Warren, Wyoming.

Mr. and Mrs. Will D. Chaney and Mr. and Mrs. Grover Taylor were guests of Mr. and Mrs. James Crouse in Columbus, Sunday. Mr. Crouse is at his home in Columbus on an 8-day furlough from Norfolk, Virginia, where he is stationed.

LEESBURG MAN SAYS HE WILL TRY AGAIN

S. A. Ringer, of Leesburg, who was defeated for the Republican nomination for Congress in the sixth district by E. O. McCowen, Scioto County, in the August primary, has issued a statement that he plans to try for the nomination again.

He said he would have been elected without opposition had not a group of ruthless Republican "spite fencers" urged McCowen to enter the race in May.

Twice previously Ringer has attempted to win the Republican nomination for congressman in that district.

RUSSIA FACING CRISIS

AS DON RIVER CROSSED

IN STALINGRAD ATTACK

(Continued from Page One)

range guns exchanged fire across the Strait of Dover in the half-light of dawn today, and out in the strait the firing of machine-guns could be heard, indicating that a convoy of one side or the other was slipping through the channel under attack. Mist, however, prevented observation from the Dover Cliffs.

During the night scattered German planes caused some damage and casualties in a hit-run raid on East Anglia and the Midlands. Three of the raiders were reported destroyed.

The Germans said their targets were Derby, Ipswich and Great Yarmouth.

The night operations followed daylight raids Sunday in which two of the RAF's big Wellington bombers broke through the clouds over Emden and bombed the dock area of the German naval base.

In Egypt other heavy British bombers battered the Axis supply base at Tobruk at dusk last night following up raids which American airmen were said to have made by moonlight the night before on the desert workshops supplying Marshal Erwin Rommel's Axis forces.

STILL MOVING MUCH

OLD WIRE FENCING

Salvaging old wire fencing, most of which had been rolled up and dumped into waste places, and which started some two years ago, is still under way in this community, and hundreds of tons of it has been moved from this county to salvage yards, chiefly in Columbus.

The old fencing is pressed into bundles and shipped from the salvage yards, or else hauled direct to the foundry where it is melted.

There has been no successful invasion of Britain since 1066. No civil war since 1660.

Men once were offered grants of land as an inducement to join the U. S. Marine Corps.

What You Buy With

WAR BONDS

When an air raid comes, the lives of your loved ones may depend on the range and altitude finder. This device is an essential element in anti-aircraft fire control. It is an optical instrument, designed to mathematically and automatically compute firing data required.

GRAIN MARKET

NEWS SUMMARY

CHICAGO, Aug. 24.—(P)—Although most new wheat harvested in the spring crop zone is being held for government loans, increasing receipts at northwest terminals, spilling over in shipments to Chicago, had a depressing effect on prices here today.

Wheat was off almost a cent as a result of moderate hedging sales and weakness of other grains, with corn and rye futures losing about a cent and selling at seasonal lows. Heavy receipts of grain at Minneapolis, principal spring wheat terminal, included mostly barley, wheat and oats.

Short covering and some buying attributed to mills and cash grain consumers rallied prices before the close. Wheat closed unchanged to 3/4c lower compared with Saturday, September 1, 17 1/2c, Dec. 1, 20c; corn unchanged to 3/4c off, Sept. 83-83 1/2c, Dec. 85 1/2c-86c; oats 3/4-3/4c lower; soybeans 1/4c off to 1/4c up; rye 1/2-3/4c lower.

CASH GRAIN

CHICAGO, Aug. 24.—(P)—WHEAT: Dec. 1.20%; May 1.24%.

CORN: Dec. 85 1/2c; May 90 1/2c. OATS: Dec. 50c; May 52c.

SOYBEANS: Oct. 1.71; Dec. 1.71 1/4.

RYE: Dec. 65 1/2c; May 71 1/2c.

TOLEDO GRAIN

TOLEDO, Aug. 24.—(P)—Grain on track (nominal)—basis 27 cent rate New York.

Wheat: No. 2 red 1.24 1/2-1.25 1/2. Corn: No. 2 yellow 84-85c.

Oats: No. 2 white 50-51c; No. 3 white 47-50c.

Soybeans: No. 2 yellow 1.61-1.62.

Hay: Timothy, No. 1, 11.00. Clover, No. 1, 10.00. Baled alfalfa, No. 1, first cutting, 10.00; No. 1, second cutting, 12.00.

Straw: Wheat, 9.00; oat, 6.00.

GRAIN CLOSE

CHICAGO, Aug. 24.—(P)—Wheat: No. 2 hard 1.18 1/2.

Corn: No. 1 yellow 84c; No. 2, 83 1/4-84c; No. 3, 83 1/4c; No. 4, 81 1/2-83c; sample grade yellow 77-79c; No. 2 white 1.04 1/4; sample grade white 88-94 1/4c.

Oats: No. 1 mixed 49 1/2c; No. 3, 48c; No. 2 white 50c; No. 3, 48 1/2-49 1/2c; No. 4, 47-47 1/2c.

Barley: Malting 80-96c, nominal; feed 53-55c, nominal.

Soybeans: No. 2 yellow 1.71. Field seed per hundredweight, nominal.

Timothy 4.60-4.85; alsike 16.00-19.50; fancy red top 7.00-7.50.

NIGHTHAWK NESTS

MORE NUMEROUS

Eggs Laid on Gravel of Composition Roofs

Nests of the nighthawks, or "bullbats," which have been found on top of some of the taller buildings in the uptown district in recent years, were more numerous this year than usual, as indicated by the presence of more of these nocturnal birds flying about until late in the night, feeding on the wing.

The nighthawks lay their eggs on the gravel on some of the composition roofs, and there hatch their young.

The roofs, if comparatively flat, offer an ideal nesting place and the birds are taking advantage of the roofs in increasing numbers each year.

Alarm Plans Completed for Countywide Blackout

COMMUNICATION SYSTEM READY FOR AIR RAIDS

Practice, Says Tips, May Be Called For Any Time To Cover Whole State

Plans were completed Saturday night at a meeting of the executive committee of the Fayette County Council of Civilian Defense for the early installation of a control center and organized countywide communication system for use in possible air raid warnings and alarms.

It is stated by members of the committee that unofficial information indicates that alarm and blackout practices may be ordered by state authorities in many parts of Ohio, just as they have in some other states, in the not distant future and every county will be expected to be ready to meet the tests required. Before many weeks a complete Ohio blackout for one night may be ordered.

The experience and suggestions as to methods of procedure which Fred Rost, local manager of the Ohio Bell Telephone Co., could offer, were called upon by the committee in completing plans for the civilian defense feature of the civilian defense set-up. Rost who is in close touch with his company's program which is one of close cooperation with what the federal government is seeking to do in preparing the civilian population for possible future war emergencies, was able to prove a great help in outlining step by step methods for county wide communication when signals are received here for this county to be on the alert.

Although little has been made public as to the Civilian Defense Council's plans, various committees of the organization have been quietly at work for months seeking to perfect organization for various emergencies.

Within a few days final examination will be made of air-raid wardens in this city, who have been attending meetings for many weeks to receive instructions. Soon thereafter these wardens who are organized down to every precinct in the city, will visit the residences in the territory assigned to them and will interview families as to their knowledge of what to do in case of an air-raid alarm, night or day. Suggestions and instructions will be offered where necessary.

Special police and fire squads have been organized for action in the event of an emergency. Assignments for doctors and ambulances have been worked out and some provision for emergency hospital cases has been made.

As civilian defense officials point out, it is to be hoped that there will never be a war emergency which will require all these groups to go into serious action in this community, but preparedness is urged by the state and national headquarters of civilian defense as being of vital importance.

Preliminary work already has been done here such as interviews by special officers in most homes of the city and the passing of printed instructions to all families of the city informing them as to the nature of air-raid alarms and what steps to take when such alarms are given.

WIND DOWNS STACK OF SEDALIA SCHOOL

D. P. & L. Crew Is Called To Help Remove It

The emergency crew of the Dayton Power and Light Co., responded to a call for help from Sedalia Saturday night to remove a large steel smoke stack leading from the boiler room of the Sedalia High School, which had fallen across the alley near the school building during a heavy wind storm about 7 P. M.

Grading was being done in the school yard and the soft earth had caused a guy wire which helped hold the stack to become weakened.

The D. P. & L. crew removed the stack and cleaned up the debris within four hours after arrival.

County Courts

DIVORCE GRANTED

In Common Pleas Court a divorce was granted Saturday to Irene Orr from James Orr and custody of the minor child, a daughter, Eleanor, aged two, was awarded the mother. The court ordered the mother restored to her maiden name of Sanderson and decreed financial support from the defendant. The Ors were married over three years ago in Newport, Ky.

PARTITION SUIT

A suit in partition was entered in Common Pleas Court Monday by Clarence Campbell against Harry H. Campbell, Wells Campbell, Erik Parrett, Roy Parrett and others, in which plaintiff seeks to have his interest set off to him in severally in lot 268 in the Washington Improvement Company's subdivision in Washington C. H.

ECLIPSE OF MOON DUE HERE TUESDAY

Celestial Show To Start at 9:01 P. M. and Last 3 Hours

Star gazers who have enjoyed the month of August, which is the month when there are more stars visible in the sky, and more luminous, than in other months, have another treat in store for them.

Astronomers of Columbia University and the Natural History Museum in New York City have sent out word that there will be a total eclipse of the moon on the night of August 25. The eclipse will begin at 9:01 P. M. Tuesday and terminate at 2:34 A. M. Wednesday, the report says, and the total eclipse, when the whole disc of the moon will be blacked out, will last from 11:01 P. M. until 12:35 A. M.

An eclipse is caused by the earth moving into a position between the sun and moon, thereby intercepting sunlight streaming to the moon, and while for the layman the eclipse is only a celestial show, for the astronomers it is of fundamental importance because the slightest difference between the calculated and the actual timetables of the eclipse, in all its phases, might reveal a new secret of the solar system.

A total eclipse of the moon is infrequent and when it occurs scientific research parties often travel for miles to a spot where they may obtain a good view of it.

COMMITTAL SERVICES ARE HELD FOR INFANT

Short committal services were held Monday afternoon in the Washington Cemetery for Mr. and Mrs. Kirby McCarty's infant son who died Monday morning at 6 o'clock at the home of his parents on the Leesburg road, near Buena Vista.

He is survived by his parents one brother Kirby, Jr., four sisters Lula, Phyllis, Marjorie and Sally Joann at home, one half brother Leroy and one half sister Mrs. Christina Knisley, both of Washington C. H.

Cox and Parrett Funeral Home was in charge of the burial made in the Washington Cemetery.

THE OLD HOME TOWN

Registered U. S. Patent Office

By STANLEY

Fayette County Boys With Armed Forces

Thomas Harper, A. S., serving with the United States Coast Guard, is now stationed at Hoboken, N. J.

Captain Virgil Sexton, stationed in Cincinnati, in the recruiting service, visited with his family in this city over the week-end.

Private Leo E. McDaniel has been transferred from Scott Field Radio School, Ill., to Harlingen Field, Texas, Fifteenth Training Detachment, Barracks 21-7.

Elden L. Kirk of route 1, Mt. Sterling, who is well known in Fayette County and the New Holland community, has been sent from the Ft. Hayes induction center at Columbus to Camp Edwards, Mass.

Virgil L. Dinkler, recently inducted into the army from Washington C. H. at the Ft. Hayes reception center in Columbus has been sent to Camp Edwards, Mass., said a bulletin from the public relations division of the center.

Pvt. Maurice Hopkins, son of Mrs. Ruth Hanna Hopkins, of Yeoman Street, has been transferred from Fort Hayes, Columbus, where he has been stationed for the past month and a half, to the Technical School Squadron (Special) at Atlantic City, N. J.

Fred W. Marchant, who had an automobile agency in the building now occupied by the Carroll Halliday garage and Ford agency before he left here and went to make his home on a farm just out of Jamestown, is in the army now. A bulletin from the public relations division at Ft. Hayes said that Marchant, who was recently inducted at the reception center in Columbus, has been sent to Camp Edwards, Mass. Marchant has many relatives in both Washington C. H. and Fayette County.

Lt. William Paxson has been transferred to a special training camp in the heart of the Mojave desert in California, his parents, Mr. and Mrs. W. Stanley Paxson, have just learned through letters from their son.

He is still on camp adjutant's staff handling much of the "paper work." He wrote enthusiastically of his life in the army but in typical light-hearted phrases told of the desert heat which sometimes reached 140 degrees in the sun.

He enlisted as a private more than a year ago and after completing his basic training was

selected by his commandant for officers training. He completed the course of legal fundamentals about two months ago and was commissioned and assigned to the work under the adjutant general. After a brief visit at his home here, he was sent to the Pacific Coast and later assigned to the desert camp.

Corp. Carey M. Parrett, son of Mr. and Mrs. Thomas H. Parrett who enlisted in the cavalry last spring because of his love for horses and his ability born of experience in handling livestock, as a Fayette County farmer boy, was unable to escape the machine age even in that exclusive and dwindling branch of the country's armed forces. Not long after he was sent to Ft. Benning, near Columbus, Ga., his cavalry outfit was mechanized in line with the trend in modern warfare; so, in place of the regular rations of hay and oats he is now, figuratively speaking, feeding his charges gasoline and oil. He has been assigned to the parts department.

Mrs. Parrett, a bride of only a few months when he enlisted, has given up her position in Greenfield, where she went to live with her parents for the duration and gone to Columbus, Ga. They have taken an apartment in a big old southern plantation home, which was remodeled to accommodate married soldiers whose work permitted them to follow a more or less fixed schedule.

SERVICES HELD FOR R. H. ALLEN SUNDAY

Services for Robert Harland Allen, a life long Fayette County resident who died Friday after noon at the Mark Rest Home were held Sunday afternoon at the Methodist Church in Milledgeville at 2:30.

Rev. Frank Hidy was in charge of the services and offered prayer and read scripture selections and made a few remarks in tribute.

Three hymns were sung by Ulric Acton, "The Old Rugged Cross," "Good Night Here and Good Morning Up There," and "Jesus, Lover of My Soul." The funeral was very largely attended by old friends and neighbors. Burial was made in the family lot in the Milledgeville Cemetery.

Pallbearers were: S. E. Fichtner, Ulric Allen, Harold Allen, Herchel Hankins, John Morgan and Ray Creamer.

The nation's motor vehicle death total in 1941 was 40,000, or 5,500 more than in 1940.

LEESBURG GIRL SERIOUSLY HURT IN AUTO CRASH

Carl Anders, Fayette County, Driver of Other Car, Cut And Bruised

A bad motor car accident in which two people were injured, one perhaps fatally, occurred on Route 62 (Leesburg Highway) at 2:45 Sunday morning, when an Oldsmobile coach driven by Carl Anders who lives about five miles west of this city, was struck head-on by another Oldsmobile coach driven by Miss Eleanor Patterson, 18, of Leesburg. The car driven by Miss Patterson, was the property of Herbert Cooper of near Bainbridge. Both drivers were alone in the cars they drove.

From reports gathered by Sheriff W. H. Icenhower who was called to the scene of the wreck, it appeared that in some manner Miss Patterson lost control of her car which crossed the highway and struck the other auto. Both cars were badly damaged and Miss Patterson was dangerously injured. She is now at White Cross Hospital, Columbus, where her condition was described as very serious, but slightly improved Monday. She never regained consciousness after the accident until Monday morning.

The Anders car was headed toward Leesburg when the accident occurred and Miss Patterson was coming to this city where Cooper and some of her relatives were to meet her, it was said.

Dr. J. H. Persinger and Klever's ambulance were summoned to the scene and the two victims were taken to Dr. Persinger's office for first aid. It was found that the girl was very badly cut and lacerated around the chin, face and arms and was suffering from concussion of the brain with probability of a skull fracture. Some of her teeth had been knocked out and her lower jaw fractured.

Anders was badly cut, suffering a three inch gash over his left eye and his arms and hands cut, but after being treated at Persinger's office, was able to be removed to his home. His condition Monday morning was reported favorable.

Miss Patterson is the daughter of Mrs. Eva Patterson, of Leesburg, and graduated last June from the Leesburg High School. She has been employed recently at Mansfield, taking a course in welding preparatory to entering defense work. She is a sister of Mrs. Paul Anschutz of this city.

INFANT GIRL DIES

Sara Jane Streitenberger, the infant daughter of Mr. and Mrs. Carl Streitenberger, passed away at her home, 504 East Temple Street, at 8:30 o'clock Sunday evening. She leaves, beside her mother and father, one sister, Eleanor Maxine.

Burial was made Monday morning in the Washington Cemetery. Arrangements were in charge of the Klever Funeral Home.

BUS TRAFFIC GROWS AS WEEKS ADVANCE

As week after week goes by and no relief from the tire shortage is in sight, more and more people who ordinarily travel by their own automobiles, are using buses and trains.

There is a gradual increase in passenger patronage of bus lines and trains generally, and it is expected to grow more rapidly with each succeeding month.

SEEKS RECOUNT

CIRCLEVILLE — Earl C. Reed, only Pickaway County candidate in the race for the Ohio Senate from Franklin-Pickaway district, is seeking a recount in Franklin County in an effort to overcome a seven vote margin by which he trails James Coady, of Columbus.

SCRAP DRIVE

CIRCLEVILLE — It is expected that a total of 250 tons of scrap will have been collected from the rural areas in Pickaway County when the drive ends on September 10. Wilbur Knox, directing the WPA program, said.

17 NEW TEACHERS

CHILLICOTHE — The Board of Education employed six new teachers at a recent meeting and accepted the resignation of eight others, making a total of seventeen new people now holding positions in the public schools for next year. The vacancies were caused by former teachers entering the service and the war effort field.

WILL ACCEPT JAPS

WILMINGTON — Dr. S. A. Watson, president of Wilmington College announced that the Board of Trustees and faculty have agreed to accept four girls of Japanese parentage for entry at the college. Word has not been received yet from the National Japanese-American Student Relocation Council whether the offer will be accepted.

NAMED HEAD

WILMINGTON — Willard Hadley, formerly of Wilmington, has been named head of the division of pharmacy at Howard University, Birmingham, Ala.

Vast deposits of iron ore were discovered in the Kursk area in 1922 and Kursk has since become the center of a large smelting industry.

CANNING WORK BEING PUSHED IN COMMUNITY

Plants Operating Greater Part of Each 24 Hour Period

Canning plants in Fayette County are now running at capacity, and in fact some of them are operating until late in the night in an effort to keep up with the great influx of sweet corn.

The corn quality is good and quantity is above the average, and as the peak of the season is now on, it is requiring a great deal of work to handle the pack promptly.

One or two of the plants have had some difficulty obtaining adequate and competent help to pack the corn.

Several hundred employees are at work in the various plants in Fayette County and adjacent counties, and the work will continue until well into September.

All canners are under instruction not to reveal the extent of their pack this year, as a precautionary measure, and while no information as to exact amount packed can be given out, there is every reason to believe it will be the largest pack in years.

HICKORY NUT CROP WILL BE GOOD ONE

The hickory nut crop in central Ohio promises to be nearly as large in most sections as it was last year, according to the present outlook.

Generally the trees are bearing good crops of nuts, although in some localities they are not as full as in others.
